MUR 2314

AFFIDAVIT OF MARYANNE E. PREZTUNIK

MARYANNE E. PREZTUNIK, being first duly sworn, deposes
and says:

1. I am Maryanne E. Preztunik, the Comptroller and
Director of Administration of the National Republican
Senatorial Committee (the "NRSC"). I have held the position
of Comptroller of the NRSC since February of 1983, and have
served as the Director of Administration of the NRSC since
January of 1985.

2. I have been responsible for the financial
operations of the NRSC since 1983.

3. In order to ensure that Republican candidates for
the United States Senate would receive the broadest financial
support allowable by law, the NRSC initiated a program known
as the "direct to" program (hereinafter also referred to as
the "program"). The "direct to" program was designed to
enable NRSC contributors to direct their contributions to
specific Republican Senatorial candidates through telephone
conversations, followed by confirmatory correspondence. All
campaigns which received directed contributions as a result
of this program signed agreements with the NRSC. A sample
copy of such an agreement is attached hereto at Exhibit 2.

00000

4. When a check was received by the NRSC, pursuant to a fund raising appeal, it was either recorded as a contribution to the NRSC, and placed in the NRSC's operations account, or it was deposited in a special and separate account for the "direct to" program, predetermined by the size of the check, and other administrative factors. If a check was deposited in the "direct to" account, the contributor was immediately called by one of five or six telephone callers working in a in-house telephone bank. The contributor was asked if he or she wished to direct all or a portion of that contribution to a specific Republican Senatorial candidate. The names of a minimum of three, and often four, such candidates in need of help were mentioned as possible recipients of all or part of the contribution. (See sample script for such a call at Exhibit 3).

5. I had over-all supervisory responsibility for the NRSC employees making such calls, and frequently observed the telephoning process. At all times the telephone bank was under the continual personal supervision of either myself or other NRSC officials responsible to me, and calls were continually monitored. There was no instance in which an NRSC telephone caller directed or controlled a contribution. The program was designed to give the contributors, and only the contributors, the opportunity to donate to the candidates of their choice. There was no instance in which an NRSC caller disregarded a contributor's instructions.

000001

6. As is evident from the sample script attached hereto at Exhibit 3, the contributors were asked whether they wished to direct their contributions to any one of three or four mentioned candidates. Contributors were, of course, free to direct all or a portion of their contribution to other candidates not specifically mentioned, or to no candidate. Contributors exercised all of these options throughout the program. I am familiar with contributors who directed their contributions to be evenly split between all mentioned candidates, contributors who selected only one, two, or three of the mentioned candidates as recipients of their contributions, contributors who directed their contributions to other 1986 candidates (including those from their own or neighboring states or those they particularly supported), and contributors who were unable or unwilling to make any designations. If a contributor directed that a contribution be sent to a particular candidate or candidates, then the NRSC automatically forwarded the contribution to that campaign or campaigns without further question. If the contributor was not reached by a NRSC caller, or did not direct all or part of his or her contribution to any candidate, then the contribution or remaining portion was considered a contribution to the NRSC, placed in the NRSC operations account, and so reported. I have examined NRSC records for this "direct-to" program, and have determined that fifty-three percent (53%) of all contributions placed in

500002

the program's special segregated account were then directed to specific Senate campaigns by the contributors, and forwarded to those campaigns. Forty-seven percent (47%) of all contributions initially placed in the direct-to segregated account were never directed to any specific campaign by the contributors, and were therefore transferred to the NRSC's operating account. At no time was a contribution held in the direct-to special account for a period of time exceeding ten days.

7. If a contributor stated that he or she wished to direct all or part of the contribution to a particular candidate or candidates, the person making the telephone contact with the contributor made a contemporaneous record of the direction on a form created for that purpose. (A sample page of NRSC computer records of these forms is attached at Exhibit 4.)

8. At the end of each day during which members of the "direct-to" program's telephone bank team had telephoned contributors, the names of all contributors who directed a contribution(s) to a specific candidate(s) were assembled. Every contributor who had directed funds to any candidate was then sent a letter by the NRSC confirming the designation(s). This letter provided a written record of the telephonic direction for the contributor's files, and provided the NRSC with an additional, separate, record of the contributor's instructions. Samples of the letters which were sent are

00003

attached hereto at Exhibit 5. I have examined our computer records, and they indicate that each person whose contribution to the Friends of Jim Santini Committee was reported to the FEC on that Committee's April 15, 1986 FEC Report at Schedule A was, in fact, sent a letter acknowledging the direction by that individual of a specific contribution to the Santini campaign. As an extra precaution in this documentation, each contributor who directed a contribution to a candidate was also sent a "Candidate Support Verification Form" (hereinafter "verification form") and asked to sign and return it to the NRSC. Samples of returned verification forms are attached hereto at Exhibit 6.

9. I further reviewed the NRSC's records for returned "verification forms" for the entire March 25 - March 31 period complained of in MUR 2134, including specifically the date of March 25, 1986 (which is the subject of a portion of the complaint). I have determined that, of every contributor who directed a contribution to the Santini campaign and therefore received an acknowledgement letter from the NRSC, with a verification form enclosed, at least 320 of those 545 contributors did in fact take the time to sign and return verification form to the NRSC. These forms are available for review if desired. Of the 54 contributors listed on the Santini for Senate Committee's April 15, 1986 FEC Report at Schedule A, 32 returned a signed verification form to the

000004

NRSC. Copies of those 32 forms are attached hereto at Exhibit 7.

10. The "direct-to" program was utilized through the 1986 campaign period. To the best of my knowledge, 32 of 34 1986 Republican Senatorial candidate received directed contributions through this program.

11. I solicited and received opinions from two accounting firms of the value of the services provided to Republican Senatorial candidates through the "direct to" program. Pursuant to their advice, the NRSC established a flat charge of three dollars (\$3) per designated contribution which was forwarded by the NRSC to a candidate's campaign. This fee, which paid for the services of the telephone callers, the letters and verification forms mailed to contributors who directed a contribution to a candidate, and an allocated portion of the Committee's overhead and other costs, did not vary with the size of the contribution forwarded to Senate candidates, but was rather a \$3 flat fee per contributor-directed contribution. Bills for these expenses were presented to candidates on a monthly basis, and all Senate campaigns, including Congressman Santini's, have paid their bills to the NRSC in full.

12. This Affidavit is to be submitted to the Federal Election Commission in connection with MUR 2314, and the Exhibits referred to herein, which are to be submitted to the FEC as attachments to the National Republican Senatorial

00005

Committee's Response in that MUR, are numbered to follow the sequence of Exhibits included in that response.

Maryanne E. Preztunik

Signed and sworn to before me
this 10th day of March, 1987.

OFFICE OF THE
VICE PRESIDENT
THE HONORABLE GEORGE BUSH

September 2, 1986

Mr. M. B. Belden
205 Central Plaza South
Canton, Ohio 44702

Dear Mr. Belden,

000008

Our Republican Senate candidates in Vermont, North Carolina, South Dakota, and Nevada are on the verge of running out of money.

And if these candidates don't receive emergency funding fast, they'll be defeated on November 4th.

President Reagan and I have discussed this situation, and we're both very concerned. Because a shift of just 4 seats will give control of the Senate back to the Democrats.

I regret having to send this urgent letter, but in my political career no letter has ever been more important.

And because you are one of our Party's most dedicated supporters, I felt I had to write to you myself to ask if you'd please send an immediate contribution of \$120 today.

With the November elections only 63 days away, we don't have a single moment to spare. For if each of these four candidates don't raise at least \$236,500 in the next 21 days -- they'll lose.

It's that simple -- and that frightening!

That's why I'm counting on you to rush me your check for \$120 by return mail today.

There is no doubt that 1986 is a pivotal election year. And for you, myself and President Reagan -- the stakes couldn't be higher.

You see, on November 4th the American people will decide whether the Republican Leadership in the U.S. Senate is going to continue working "hand-in-hand" with President Reagan guiding our Nation.

Or whether our adversaries are going to be given the power to pull us off course.

And if these four candidates end up losing on election day

Mr. M. B. Belden
Page 2

because they ran out of money at this critical "Make or Break" point in their campaigns, then we're almost certainly going to lose President Reagan's precious Republican Majority in the U.S. Senate.

If this happens, you and I will never forgive ourselves if we know in our hearts we hadn't done everything within our power to help these four candidates in this -- their greatest hour of need.

That's why, as Vice President and therefore President of the U.S. Senate, I'm doing everything I can to help each of these four candidates. But I'm only one man. And my efforts alone aren't enough to ensure victory.

The hard reality is this: all four of these fine Republican Senate candidates desperately need your help today.

And your action -- or inaction -- now will quite literally mean political life or death for each of these candidates.

That's why it's absolutely essential that you send in an immediate \$120 contribution today.

To expedite the distribution of your contribution, the Republican Presidential Task Force has agreed to serve as the central clearing house.

If you'll write out your \$120 check directly to the Task Force, they'll see to it that every penny of your generous contribution is evenly split and immediately delivered to each of these four candidates.

Please, whatever you decide to send, even if it's not \$120, I urge you to send it to me without delay.

I'm depending on you Mr. Belden. And depending on a loyal friend like you to help me solve this crisis is good enough for me.

Sincerely,

000009

George Bush

P.S. I repeat! Without your immediate financial support, our Republican Senate candidates in Vermont, North Carolina, South Dakota, and Nevada are going to lose. And we in turn could lose Republican control of the Senate.

That's why I urge you to send an emergency contribution of \$120 today. Thank you!

Dear Ramon:

Our Republican Senate candidates in South Dakota, Nevada, Louisiana, and California are on the verge of running out of money.

And if these candidates don't receive emergency funding fast, they'll be defeated on November 4th.

President Reagan and I have discussed this situation, and we're both very concerned. Because a shift of just 4 seats will give control of the Senate back to the Democrats.

I regret having to use certified mail, but in my political career no letter has ever been more important.

And because you are one of our Party's most dedicated supporters, I felt I had to write to you myself to ask if you'd please send an immediate contribution of \$1,000 today.

With the November elections only 63 days away, we don't have a single moment to spare. For if each of these four candidates don't raise at least \$236,500 in the next 21 days -- they'll lose.

It's that simple -- and that frightening!

That's why I'm counting on you to rush me your check for \$1,000 by return mail today.

There is no doubt that 1986 is a pivotal election year. And for you, myself and President Reagan -- the stakes couldn't be higher.

You see, on November 4th the American people will decide whether the Republican Leadership in the U.S. Senate is going to continue working "hand-in-hand" with President Reagan guiding our Nation.

Or whether our adversaries are going to be given the power to pull us off course.

And if these four candidates end up losing on election day.

Colonel Ramon R. Guas
Page 2

because they ran out of money at this critical "Make or Break" point in their campaigns, then we're almost certainly going to lose President Reagan's precious Republican Majority in the U.S. Senate.

If this happens, you and I will never forgive ourselves if we know in our hearts we hadn't done everything within our power to help these four candidates in this -- their greatest hour of need.

That's why, as Vice President and therefore President of the U.S. Senate, I'm doing everything I can to help each of these four candidates. But I'm only one man. And my efforts alone aren't enough to ensure victory.

The hard reality is this: all four of these fine Republican Senate candidates desperately need your help today.

And your action -- or inaction -- now will quite literally mean political life or death for each of these candidates.

That's why it's absolutely essential that you send in an immediate \$1,000 contribution today.

To expedite the distribution of your contribution, the Republican Senatorial Inner Circle has agreed to serve as the central clearing house.

If you'll write out your \$1,000 check directly to the Inner Circle, they'll see to it that every penny of your generous contribution is evenly split and immediately delivered to each of these four candidates.

Please, whatever you decide to send, even if it's not \$1,000, I urge you to send it to me without delay.

I'm depending on you Ramon. And depending on a loyal friend like you to help me solve this crisis is good enough for me.

Sincerely,

George Bush

000018

P.S. I repeat! Without your immediate financial support, our Republican Senate candidates in South Dakota, Nevada, Louisiana, and California are going to lose. And we in turn could lose Republican control of the Senate.

That's why I urge you to send an emergency contribution of \$1,000 today. Thank you!

Dear Friend,

Our Republican Senate candidates in Vermont, North Carolina, South Dakota, and Nevada are on the verge of running out of money.

And if these candidates don't receive emergency funding fast, they'll be defeated on November 4th.

President Reagan and I have discussed this situation, and we're both very concerned. Because a shift of just 4 seats will give control of the Senate back to the Democrats.

I regret having to send this urgent letter, but in my political career no letter has ever been more important.

And because you are one of our Party's most dedicated supporters, I felt I had to write to you myself to ask if you'd please send an immediate contribution of \$25 today.

With the November elections only 63 days away, we don't have a single moment to spare. For if each of these four candidates don't raise at least \$236,500 in the next 21 days -- they'll lose.

It's that simple -- and that frightening!

That's why I'm counting on you to rush me your check for \$25 by return mail today.

There is no doubt that 1986 is a pivotal election year. And for you, myself and President Reagan -- the stakes couldn't be higher.

You see, on November 4th the American people will decide whether the Republican Leadership in the U.S. Senate is going to continue working "hand-in-hand" with President Reagan guiding our Nation.

Or whether our adversaries are going to be given the power to pull us off course.

because they ran out of money at this critical "Make or Break" point in their campaigns, then we're almost certainly going to lose President Reagan's precious Republican Majority in the U.S. Senate.

If this happens, you and I will never forgive ourselves if we know in our hearts we hadn't done everything within our power to help these four candidates in this -- their greatest hour of need.

That's why, as Vice President and therefore President of the U.S. Senate, I'm doing everything I can to help each of these four candidates. But I'm only one man. And my efforts alone aren't enough to ensure victory.

The hard reality is this: all four of these fine Republican Senate candidates desperately need your help today.

And your action -- or inaction -- now will quite literally mean political life or death for each of these candidates.

That's why it's absolutely essential that you send in an immediate \$25 contribution today.

To expedite the distribution of your contribution, the National Republican Senatorial Committee (NRSC) has agreed to serve as the central clearing house.

If you'll write out your \$25 check directly to the NRSC, they'll see to it that every penny of your generous contribution is evenly split and immediately delivered to each of these four candidates.

Please, whatever you decide to send, even if it's not \$25, I urge you to send it to me without delay.

I'm depending on you. And depending on a loyal friend like you to help me solve this crisis is good enough for me.

Sincerely,

George Bush

P.S. I repeat! Without your immediate financial support, our Republican Senate candidates in Vermont, North Carolina, South Dakota, and Nevada are going to lose. And we in turn could lose Republican control of the Senate.

That's why I urge you to send an emergency contribution of \$25 today. Thank you!

THE HONORABLE GEORGE BUSH

September 2, 1986

Mrs. Dorothy Hornbostel

Dear Mrs. Hornbostel,

Our Republican Senate candidates in Vermont, North Carolina, South Dakota, and Nevada are on the verge of running out of money.

And if these candidates don't receive emergency funding fast, they'll be defeated on November 4th.

President Reagan and I have discussed this situation, and we're both very concerned. Because a shift of just 4 seats will give control of the Senate back to the Democrats.

I regret having to use certified mail, but in my political career no letter has ever been more important.

And because you are one of our Party's most dedicated supporters, I felt I had to write to you myself to ask if you'd please send an immediate contribution of \$50 today.

With the November elections only 63 days away, we don't have a single moment to spare. For if each of these four candidates don't raise at least \$236,500 in the next 21 days -- they'll lose.

It's that simple -- and that frightening!

That's why I'm counting on you to rush me your check for \$50 by return mail today.

There is no doubt that 1986 is a pivotal election year. And for you, myself and President Reagan -- the stakes couldn't be higher.

You see, on November 4th the American people will decide whether the Republican Leadership in the U.S. Senate is going to continue working "hand-in-hand" with President Reagan guiding our Nation.

Or whether our adversaries are going to be given the power to pull us off course.

And if these four candidates end up losing on election day

Mrs. Dorothy Hornbostel
Page 2

because they ran out of money at this critical "Make or Break" point in their campaigns, then we're almost certainly going to lose President Reagan's precious Republican Majority in the U.S. Senate.

If this happens, you and I will never forgive ourselves if we know in our hearts we hadn't done everything within our power to help these four candidates in this -- their greatest hour of need.

That's why, as Vice President and therefore President of the U.S. Senate, I'm doing everything I can to help each of these four candidates. But I'm only one man. And my efforts alone aren't enough to ensure victory.

The hard reality is this: all four of these fine Republican Senate candidates desperately need your help today.

And your action -- or inaction -- now will quite literally mean political life or death for each of these candidates.

That's why it's absolutely essential that you send in an immediate \$50 contribution today.

To expedite the distribution of your contribution, the National Republican Senatorial Committee (NRSC) has agreed to serve as the central clearing house.

If you'll write out your \$50 check directly to the NRSC, they'll see to it that every penny of your generous contribution is evenly split and immediately delivered to each of these four candidates.

Please, whatever you decide to send, even if it's not \$50, I urge you to send it to me without delay.

I'm depending on you Mrs. Hornbostel. And depending on a loyal friend like you to help me solve this crisis is good enough for me.

Sincerely,

000048

George Bush

P.S. I repeat! Without your immediate financial support, our Republican Senate candidates in Vermont, North Carolina, South Dakota, and Nevada are going to lose. And we in turn could lose Republican control of the Senate.

That's why I urge you to send an emergency contribution of \$50 today. Thank you!

Direct-To Program Agreement

The Direct-to Program is an effort organized by Sen. John Heinz and the National Republican Senatorial Committee for the general election benefit of individual candidates. Individual contributors from the NRSC's masterfile will be able to earmark contributions for a specific Senate general election campaign. Most Direct-to participants will be contributing individual amounts of \$100 or more.

By law, the NRSC is allowed to contribute approximately \$11 million to candidates through coordinated dollars. To maintain a Republican majority in 1986, Republican candidates will need more help. The NRSC's Direct-to Program allows individual contributors to specifically name a campaign (or campaigns) as the "earmarked" recipient(s) of a contribution. In this manner, the NRSC hopes that additional money can be made available to Senate general election candidates.

Money received through the Direct-to Program can only be deposited in the campaign's general election account and is to be used exclusively for the general election campaign. Each earmarked contribution must be applied against the contributor's limit to the campaign's general election. All Direct-to money is sent to the campaign through the NRSC. Although the NRSC will send a thank you letter to each of the contributors, a separate letter from the campaign to the contributor would be appreciated and will help establish a pattern of communication that will aid in resolicitation.

One person on the NRSC staff will serve as an information source for campaigns and in-house staff concerning Direct-to matters. Dina Beaumont will serve initially in this capacity, and can be reached at (202) 347-0202. Her responsibilities will include:

- * Serve as liaison between the Direct-to Program and campaigns.
- * Advise and assist campaigns with Direct-to concerns.
- * Work with campaigns to verify adequate record-keeping and FEC compliance concerning the Direct-to money to campaigns.
- * Announce the receipt of incoming Direct-to money by campaigns.
- * Follow-up thank you notes from campaigns.

000061

To alleviate confusion, Dina will be the only NRSC staff member announcing Direct-to contributions to campaigns.

Federal Election Law requires that a campaign must assume the direct fundraising costs associated with an effort such as the Direct-to Program. Participating campaigns will be billed on a monthly basis on the 10th of each month for money directed in the previous calendar month. Campaigns will be charged on a 'per contributor' basis, with the actual charge determined by the direct fundraising costs associated with a particular mailing/event. (The per contributor charge will be in the \$3-\$4 range.) Payment will be due from the campaign's general election account thirty days from the date of invoice.

To assist NRSC and campaign compliance with the Federal Election Campaign Act, up to five percent (5%) of the NRSC's maximum coordinated expenditure on behalf of a state will be escrowed until October 20 of the election year. If all payments have been made for the Direct-to Program, all coordinated money will be available for varied uses (i.e., media, mailings, office support). If payments have not been made, the escrowed coordinated money will be used to pay the campaign's invoiced portion of the direct costs associated with the Direct-to Program.

On behalf of the Santini for Senate campaign, I hereby acknowledge receipt of the above information pertaining to the NRSC's Direct-to Program and the Santini for Senate campaign's participation in the program.

Dear Jimmy:

Senator John Heinz has asked me to forward the following checks to Jim Santini's campaign to help maintain a Republican majority in 1986.

These contributions were made available through the NRSC "Direct-To" Program, pursuant to the instructions of the individual contributor. This effort allows the NRSC to forward designated contributions directly to Jim Santini's campaign.

As outlined in Section 110.6 (c) (2) of the Federal Election Campaign Act, I have enclosed all information for the referenced contributions for which we have served as conduit. Federal Election Law requires that the Santini for Senate Campaign Committee include all this information in the next FEC report.

This money can only be deposited in the Santini for Senate Committee general election account and is to be used exclusively to help Jim Santini in his general election campaign. It is important to note that these contributions must be applied against the contributor's limit to your general election campaign.

If you have any questions please contact Dina Beaumont at (202) 347-0202. Thank you.

Sincerely,
